

This fall, they might do so again.

Bill S-5 will legalize and regulate nicotine vaping products. That's a good thing, but the bill is flawed. It will allow the return of TV, radio and billboard ads for nicotine products made by the same companies that sell cigarettes. Harm reduction is one thing. Open season on promoting addiction to youth and non-smokers is another.

Amend Bill S-5 to ban mass media advertising for vaping products.
